

Support Your Fundraisers With These 6 Quick Tips

1. Thank them immediately

Help fundraisers to feel supported by thanking them as soon as they set up their fundraising page

2. Help promote their page

Add the unique Localgiving URL for your fundraiser's page to your website, email signature and social media

3. Create a sense of community

Get your fundraisers in touch with each other to let them know they are part of a team

4. Make them feel special

Publicly celebrate your fundraisers' milestones, such as their first donation, on social media

5. Ask them for feedback

What would help them with their training or what has inspired them to fundraise?

6. Highlight their story

Feature their story on your website, your newsletter or social media outlets
